About the Program

This seminar offers a series of training sessions that educate drivers on how to prevent motor vehicle collisions and how to develop safer driving habits. The classes also address how safe driving can increase productivity, create better community relations, and maintain on-time efficiency.

Fact:

Every 11 minutes someone in the United States dies in a vehicle accident.

Who Should Attend?

This seminar is intended to instill safe driving habits in individuals who operate vehicles for local governments. It will be of benefit to all local government employees.
