About the Program

Now available in a 4-hour format. NSC Defensive Driving Courses teach drivers how to recognize and react to immediate and potential hazardous driving situations and conditions.

Our instructor-led, classroom courses provide collision prevention strategies and defensive driving techniques that focus on behavior, judgement, decision making and consequences.

This highly interactive course will help influence drivers to make positive choices to improve driving behaviors and attitudes and encourage respectful and lawful decisions to avoid motor vehicle incidents and decrease traffic violations.

Speakers

Lawrence J. Bohlen Director, Field Services

Jeff Perkins, Loss Control Associate
