

## LGIT: Contact and Service In Weeks Ahead

**LGIT will remain actively working to assist our members during the weeks ahead.**

LGIT office will largely be closed, effective Monday morning (March 16). Voicemails to office staff will be returned as employees will receive email notifications of voicemails. LGIT staff will be monitoring their emails. **Please leave a voicemail when you call. Staff will remain available and responsive to member needs.** All LGIT employees have access to work remotely. **We will send an email when the office reopens.**

LGIT members are the heart of everything we do. This is an unprecedented time for all of us and the safety of our members and staff is our top priority. As the Coronavirus (COVID-19) begins to have a greater impact on our community, we are doing our part to keep everyone safe and healthy. Like many others, we are following closely the guidelines from the Centers for Disease Control and Prevention (CDC) as well as the local U.S. health authorities.

As a reminder, March's Renewal Workshops have been cancelled.

We wish you and your family good health.
