

CLOSE QUARTERS DEFENSE®

CQD® Law Enforcement Introductory Course (1-Day)

Course Description: This one-day course introduces the CQD system and is customized to meet the specialized needs of officers. All skills are validated to ensure operational readiness through practical drills and realistic validation exercises. Instruction will include a special focus on the officer's justified use of force and actions against low, medium, and high threat adversaries and will develop the ability for instantaneous escalation and de-escalation.
